Welcome.

I am Brix Braxium, DELTARUNE Lore Nerd and expert.

This is a second doc I'm making in addition to the Chapters 3-4 Ultimate Checklist.

This one serves to assist the creation of a Chapter 2 completion file for continuing into Chapter 3 with.

This document is, thusly, a bit less useful. However, a few people asked me to make it, and so I shall.

The idea is the same as the other one- you print it out, and keep track of your progress using the checklist. Simple stuff.

This is the page where I put gameplay tips on the ultimate guide, but I don't really have tips for Chapters 1 and 2.

You probably know how to do all of this by now...

These are Universal Chapter Objectives from the ultimate guide in their own section.

Chapter 2

☐	I collected the Egg from the Man behind the tree.
☐	I put the egg somewhere in town.
☐	I obtained the Shadow Crystal.
☐	I located the **Moss**.

☐	I located the first Revivemint.
☐	I located the second Revivemint.
